## PRESIDENT'S MESSAGE

May the best team win. Sunday April 17th heralds the commencement of the 1977 South Suburban Murray Districts Association Football Season. Months of preparation have preceded this bounce down and I hope that all games are contested in the spirit of true sportsmanship both in the League and Seconds competitions.

We cannot all win pennants but we can all do our best to promote the good name of Australian Rules Football.

The administration have worked hard in these preceding months to do all they can for a smooth and successful season, a part of this work has been the new constitution, also arrangements have been made for an Interstate Fixture against a South Australian Country Association team. "The River Murray League" taking place at Gosnells on July 3rd 1977. This fixture could be the beginning of future interstate clashes between our League and other Eastern States Country Teams in the future years.

Best wishes to all players, umpires and officials for the 1977 season.

REG BLACKBURN  
PRESIDENT

## FOREWORD

The 17th season of the South Suburban Murray Football League will commence this Sunday. This 1977 season should be a great one as their is a definite improvement year by year in the quality of football in our league.

Recruiting has been extensive, grounds upgraded, awards most generously sponsored and administration still in the hands of a very experienced gentleman Mr. Reg Blackburn and as previously mentioned the interstate game at Gosnells against a South Australian Country team should add a lot of interest to the 1977 season.

2. Eddie Michaelcheck ex East Perth to Kalamunda.
3. Fred Senior transferred from Thornlie to Kenwick.

Central umpires will also cast votes for the Sunday Times medal awarded annually to the most consistent player.

The Sports Review \$100 Footballer of the Year Award decided by the boundary umpires.

The Thornton Chivers Medal will once again be awarded to the Fairest and Best in the Grand Final.

Award donors are sincerely thanked by the league for their generous response in the awarding of Trophies and play a big part in the game of football.

## THE HAWKS

The Gosnells Football and sportsmen's Club extends a warm welcome to all players members and supporters for the 1977 football season.

Players under the supervision of League Coach Peter Dougan have undergone a strenuous pre season build up and the performance of The Hawks in scratch games has been most encouraging. If hard work, enthusiasm and club spirit are pre-requisites of winning the flag, then the Hawks supporters can look forward to seeing their team at the top of the ladder this season.

New players who have shown faith in joining our progressive club are Ian Gibson, Hayden McCauliffe, Laurie Ricetti, Greg Devine, Jim Kidd, Bob Shaw and a welcome return has been made by Mark Smythe. The club warmly welcomes these new players who have an abundance of ability and we trust their association with Gosnells will be satisfying and fruitful.

The club is excited at having obtained the services of Graham Dwyer as coach of the Reserves and with Grahams experience and ability the reserves team should mould into a most formidable side. Lex Howden well known and respected in Gosnells football, has been re-appointed coach of the Under 19's and the club look forward to another successful season from this team.

On the Management Committee the club is pleased to have Jeff Crabb as Vice President and Terry Barratt assisting in the successful administration of the Club.

The club's membership drive is in full swing and nomination forms can be obtained from the Secretary or any member of the committee. Structural extensions to the clubrooms are well under way to improve facilities for all members and hopeful these will be completed midway through the season.

Our new look Social Committee under the Chairmanship of Frank Sochacki has been running most successfully. Frank attributes most of the credit to the ladies who have joined

the committee this year and already they have combined to make all functions held so far most enjoyable and successful. Attendance at these functions has been extremely good and the club encourages this excellent response.

We wish both our teams the best of play and results in today's match against Kwinana to start the '77 competition in the right fashion.

## THE TIGERS

The President, Committee and Members of the Canning Football and Sportsman's Club (inc.) extend to our kindred clubs and the executive of the S.S.M.N.F.L., a hearty welcome to the 1977 season.

Our President this year is once again Des Fogarty, with Ron Wilcox and Terry Freemantle in charge of the League and Seconds teams respectively. Last year's league coach Paul Polsen, will this year hold the capacity of Vice-Captain and selector.

Our league side of 1976, which met with belated success winning 8 of our last 10 matches, has been retained with minor exception. Recruiting has been successful, with new players expected to be prominent in John Moore, Alan Vines, Gary Grover, Tony Doney and Jack Van-Kempen. Altogether, our combined training lists number about 50, indeed the most promising start to a season the Tigers have seen for many a year.

Scratch match form has been excellent, with the Tigers inflicting heavy defeats to Bunbury, Applecross and Vic. Park, indicating that we will field, in both grades, our strongest teams for several seasons.

Social activities this year will be directed by new Social Secretary Greg Sladden, whose enthusiasm seems to guarantee success in this area. Our next function is the Western Nite Cabaret at the Cannington Hotel next Friday night. Tickets, which must be in this week, are still available from Greg.

We extend an open invitation to Mandurah players and supporters to join us in a social drink after today's game.

#### **TALK OF BULL**

With the oncoming football season comes many new challenges for both the players and administrators of this club.

The most important of which is the chance of winning our fourth successive premiership.

Recruiting of players is almost complete, and training has been under way for some months. One of the most pleasing aspects this year, is the number of new players who have just "lobbed" at the club. This has given the club added depth in playing strength, as well as creating a lot of interest in the selection of the league twenty, for the first game.

To all the new players chosen to represent "the Bulls" in the opening game, we say congratulations and lets hope we start off the season on a winning note.

The club itself has just experienced one of its most successful off-season trading periods since its opening in 1972. This is due mainly to a lot of hard work by our new president Mr. R. May, and also to the co-operation and support of all the other sporting bodies within the club. We trust their support will continue throughout the coming football season.

With the juniors competition about to start also, we would like to thank the coaches and managers of the various grades for devoting so much of their time to the football education of these youngsters. The various coaches and managers are — Under 10's Chris Binks and L. Hobbs, Under 12's Dave Jennings and A. Watters, Under 14's Danny Grogan and L. Boyle, Under 16's Arthur Craven and B. Mathews Under 18's Terry Hambleton and O. Ashley.

On the social side we remind members of the mice racing meeting to be held in the club-rooms on 22nd April. These nights are a lot of fun and your presence at this function would be welcomed.

Also the giant raffle is about to get under way and every member's support in selling a book of these tickets would ensure its success.

On closing may we at Maddington wish all the other clubs in the competition the very best for the 1977 season, and we look forward to renewing acquaintances in the forthcoming weeks.

**FOOTBALL GAZETTE 4**

#### **THE KNIGHTS NOTES**

With the 1977 season now on us today will show how effective the last six month's work has been. Playing wise we have lost very few players from last year, Ron De Boer being the most notable. Our recruiting has been fairly selective as we have placed our faith in our local players. We have gained the services of three ruckmen in John Pavlovic, Tony Davis and Randall Tanner and a wingman in Wally Krispler.

Both teams will also be wearing our new jumpers of red, white and blue for the first time today. These worn with blue shorts look very smart indeed.

Congratulations to Kerry and Murray Lloyd on the birth of their son. There should be quite a bit more news of this nature in the weeks to come.

The club's raffle will be drawn on Sunday 1st May at the home game against Maddington. Tickets are only 20c each so if you haven't bought any yet how about getting in and supporting this venture.

A Quiz Night will be held on Monday 2nd May at the Tavern. Tickets are \$1.50 each and this includes a light supper.

#### THE BULLDOGS

Despite heavy losses of players from last year through transfer or retirement the club looks forward to competing again in what should prove to be the hardest but most rewarding season in our eighty year history.

A large measure of our success will come from young local players who through their application will earn a place in our senior sides add to this a selective recruiting plan and an unparalleled incentive scheme made possible by local sponsors and supporters can only serve to improve the overall players performances.

Pre season training sessions have been well attended and will provide a difficult task for selectors, coach Eddie Donnes Res. Coach Andy McIntosh and Trevor Reilly in nominating our first match sides.

We wish all kindred club and league executive success this season and compliment them on their professional approach to the game.

Today we welcome Thornlie to John Dunne Oval and Congratulate former Kelmscott Coach John Brierty on his appointment as their Senior Club Coach. Regardless of results today we look forward to entertaining all Lions socially after the game.

## DEMONS DIGEST

Well folks, it's on again isn't it? Another season is with us, the club's 65th season this year. It's back to the nail-biting cliff-hangers, the joys of winning, the down-in-the-mouth of losing, all the standard classical jargon peculiar to no other game, and that bull-dusting humour between rival supporters. That's what footy is all about, and we love every minute of it don't we?

Today, we open the season with a home game at Gwynne Park, with our visitors from Kenwick, The Royals. We invite all the Royals and umpires to stay back for a while after the games, and enjoy our friendly drink 'n' chat sessions, win or lose.

Our acting president, senior vice-president Joe Bavich, extends a warm welcome on behalf of the Club, to all our supporters, all our kindred clubs for the forthcoming season, wishing our kindred clubs the best of luck, so long as it is 5% below our luck!

We all wish Gary Greer and Johnnie Rowe the very best with their respective teams for the season, and assure them both of our maximum support throughout the season. A warm welcome to our new players to the club, Ray Butler, Don McGregor, Bruce Norfon, Rory Coffey, Geoff Byrne, Ross Stephen, and Peter Barr. Make yourselves at home fellas, you're part of ur happy one-eyed bunch now! Welcome back to the bunch, to Peter Smith and John "Macca" McHenry.

To our Under 18's for this year, good luck fellas, you've got a big reputation to live up to from last year's mob, but I know you can do it, and improve on it. Before I forget, congratulations Charlie Tenardi on your vice-captaincy of the league side. You've earned it mate, and I predict that the full potential of Charlie's undoubted talents, will explode this year, woe betide the opposition when it does!

Our head trainer Roy Lakeman (he has no peer in this competition) is offering his services every Monday and Tuesday evening at Gwynne Park from 8-10 p.m. to anyone suffering from sporting injuries, aches and pains. This service is available to men and women from any sport. Non-Demon members will have to pay a very reasonable fee. This is a most GENUINE service, from a fully qualified, highly experienced man. We're lucky to have his services for the club.

NOTICES: Armadale Football Club does not accept responsibility for beer-drinking etc., on the ground at any home game, or the consequences! Please use litter bins provided, on the ground, AND in the pavilion.

## MIGHTY ROYALS

Welcome to our new coach Fred Seinor, also welcome back to the club to Tucker Tyler, Al Hambley and Brent Hurley, new players in Bill Truscott and Kevin Beale, Under 18's Peter Hughes and Arthur Jago. A big welcome to all our new players, members and supporters.

Judging by our performances in the scratch matches and on the training rack, Kenwick are in for a great season in '77.

Get behind our hard working officials and if you have not yet paid your membership fees see Arthur Mills or Ross Stockridge.

Our efforts in past years regarding the selling or tipping cards has not been the best. The Groper and Timmy put in a lot of work with these cards so let us all give a little extra effort and sell a few more each than we usually do.

We have new furniture in our club rooms this year and a little bit of respect for it won't go astray. We will have new curtains up soon.

The Old Players Association are holding a Games Night on the 22nd April at Mills park. \$5 will get you in and all your drinks. Members are to bring all their friends. Be there and support the club.

Today's games against Armadale are not going to be easy. Forget their performances against us in previous seasons as they have improved and a first up win for us is imperative. Let's stay behind after the game and show our numbers and support to the Armadale Football Club.

## SEASIDERS

The Mandurah Football Club Committee players and members are looking forward to a big improvement in the 1977 season. The club realises it has quite a task ahead of it to reach the finals but with Colin Beard as coach, some new blood in the team and now with its restricted license and a lot of new enthusiastic members the club is looking forward to a good year.

The Junior U/17 team started the season with a great win last week crushing Willagee 23.21 to 4.4. They should continue on in this vein for the rest of the year which gives the club great hope for the future with many promising juniors who should develop in to good league players.

The recent lightning carnival held at Rushton Park was a great success with Armadale just defeating Mandurah by 7 points in the Grand Final.
